10th Congressional District of California

U. S Service Academy Nomination Application Packet

Application Deadline: October 29th

**Congressman Josh Harder
10th Congressional District of California
Academy Nomination**

Nomination Procedures

We are pleased to receive applications from students in California's Tenth Congressional District for nominations to one of the four U.S. Service Academies-**USAFA, USMMA, USMA, and USNA**. We have established a fair and objective procedure which will allow us to produce the best qualified candidates for the Academies. To be considered for a nomination, applicants must be legal residents of the Tenth Congressional District of California. We will accept applications from candidates who will graduate from high school in 2022 or those who have already graduated. To be considered for this year's graduating class, applicants must meet the following basic requirements:

- Be unmarried, not pregnant, and have no legal obligation to support children or other dependents.
- Must be a United States citizen and a legal resident of the Tenth Congressional District.
- Must be at least 17 years old, but not yet 23 years old (as of July 1st the year of admission)

The following information is a brief overview of the selection process. Admission to a Service Academy is a two-tiered process. First, the applicant must directly apply to the Academy and meet the set minimum standards. These standards include, but are not limited to: medical, physical, and academic qualifications. The second tier in pursuing admissions is the nominations process.

An individual must meet the admission requirements for the Academy as well as receive a Congressional Nomination in order to be offered an appointment. Please keep in mind that those who may receive a nomination are not guaranteed to be offered an appointment by the Academy.

Our office will start accepting applications May 1st and we must receive all information no later than October 29th for those interested in entering one of the Service Academies. All correspondence regarding the Academy Nominations process should be directed to Ms. Katie Jaycox. Please mail or drop-off completed applications to:
